Transferable Skills for PhDs/Postdocs

Courses
- > 60 courses with 8-18 places
- > 700 places in total
- sometimes faculty specific
- evaluated each semester

Registration
- each January/August
- allocation of places by lot
  → no need to rush
- registration mandatory, late cancellation & no-show fee, max. 3 courses PP

- also open for associated institutes and EUCOR students
- ECTS credits automatically transferred by end of semester
Welcome Center
Facilitating your start & stay in Basel

www.unibas.ch/welcome  I  welcome@unibas.ch  I  Dr. Tanja Popović
National & International Cooperation (NIC)

Head: Prof. Dr. Hedwig J. Kaiser

Units:

Intern. Relations: Dorina Kühner, Erich Thaler
Student Exchange: Andrea Delpho, Gerald Zimmermann
Welcome Center: Tanja Popovic

Follow us on Twitter: @IntOfficeUnibas
Scope of service (incl. cross-border D/F)

- Your pre-arrival support: - moving to the Basel area, settling-in, child care, bank, mobility etc.
  > Welcome package (about Unibas, city, Basel area, Switzerland), check lists

- Your support during your stay: - whenever personal or professional situation changes
  - whenever questions & challenges come up
  > e.g. marriage
  > partner follows from abroad
  > birth of child
  > move into another flat or to another canton
  > problems with your superior, with your landlord etc.
  - signposting within the university

- Your outgoing service: - supporting your departure

Purpose

- √ your in-house relocation services
- √ signposting function & helping people to help themselves
- √ complimentary to services of departments/institutes

Training and Development
Training and Development

Goals of training and development

1. Establish and support a friendly culture of communication, leadership and work within teams

2. Introduce dialogue to appreciate each other and to work together constructively

3. Develop teams and the organisation in matters of strategy, culture, change and conflict

When to turn to Training and Development?

Services include training, team development and coaching/counseling.

Training, especially courses within the „transferable skills“ programme
- I want to move more easily in the work surrounding
- I want to know more about communication within the work surrounding
- I want to learn about the basics of leadership
- I want to plan my PhD

fortbildung.unibas.ch/welcome
Questions relating to the trainings: katrin.kuechler@unibas.ch

Coaching Counseling Conflictmanagement
- I have difficulties understanding what is expected from me
- My role, my tasks, my goals, the communication or other are not clear
- I am not sure about the next steps in my career or I have to make a decision
- I work within a difficult working situation or there is a conflict
- I am responsible for the goals of other people and need leadership advice

Questions relating to coaching/counseling, appointments: ariane.schnepf@unibas.ch
Diversity & Inclusion
Diversity at the University of Basel

The University of Basel is an organization that values the different experiences and perspectives of its members and promotes their diverse strengths, regardless of age, religion, gender, gender identity, cultural background, language, social or professional status, lifestyle, political conviction, sexual orientation or disability.

We are pleased to have you as part of our community. Please do not hesitate to contact us with any questions or concerns.

Career Funding Instruments
## Funding and Services for PhD students and Postdocs

### Research Funding
- **Research Fund incl. different foundations**: Initial or final funding in transition to next career step
- **Doc.Mobility@unibas**: mobility fellowships for PhD students

### Conference Funding
- Contribution towards congress participation

### Publication of Dissertation
- Contribution towards the costs for the publication of your dissertation

### Junior Researchers’ Retreat
- Funding for the organization of a junior researchers’ retreat

### Editing Costs for Papers
- Contribution towards editing costs for PhD students (papers, book chapters, conference papers in English)

### Support for Parents
- **Get on Track**: Aimed at PhD students who are parents
- **Stay on Track**: Aimed at female Postdocs in early stage of motherhood

### Academic Career Support
- **Support and Advisory Service**
- **Organisation of Mock Interviews**
- **Support during application process**
- **Financing and academic career advice**
- **SNSF Doc.CH**: PhD candidates in Humanities/Social Sciences
- **SNSF Postdoc.Mobility**: For SNSF Eccellenza or SNSF PRIMA candidates during evaluation phase
Support and Services

Educational Technologies
Supporting you in digital teaching
Our offers to your questions

Which tools are available for digital learning and teaching?
Visit the [Edutools website](http://www.edutools.com) for an overview of the tools supported by the IT services.

How can I get ready for digital teaching?
We offer various courses in the [training & development program](http://www.trainingprogram.com).

How can I strengthen my digital literacies?
Have a look at the [Digital Skills website](http://www.digitalskills.com) where you can test yourself regarding your digital skills and find numerous useful resources to strengthen your skills.

Get to know us: [www.bbit.unibas.ch](http://www.bbit.unibas.ch)

Contact us: bbit@unibas.ch
Language Center
Why not learn, improve, discover, and write …

… at the University of Basel’s Language Center?
Courses

Develop your overall communicative competence in about 20 languages in general and subject-specific courses, workshops, and tandems in Arabic, Chinese, French, German, Japanese, Russian, Swahili, etc.

Enhance your ability to communicate your research effectively in English in custom-made, subject-specific courses and workshops on, for example:

- Conference presentations
- Writing for publication
- Video abstracts

Services

Benefit from our services, such as:

- Writing coaching / Schreibcoaching
- Guided Writing / Begleitetes Schreiben (online writing consultation in English and in German)
- Proofreading (e.g., for written assignments)
- Editing (texts intended for publication)

For courses, deadlines or a personal consultation:

www.sprachenzentrum.unibas.ch
info-sprachenzentrum@unibas.ch
Academic editing

Academic editing at the Language Center

- Provided by experienced specialists for all faculties and disciplines.
- For anyone publishing in English regardless of level.
- A variety of texts including abstracts, articles, book chapters, funding proposals, etc.
- Can include an in-person consultation to improve your academic writing.

University financing for academic editing

- Any doctoral student can receive up to CHF 500 to have one research publication in English edited during their studies.
- Can be used with any service, such as the Language Center or an editor already associated with a research group.

Background information

Sustainability Report

www.unibas.ch/sustainabilityreport
From 2017-2020 about 50% of University of Basel's total greenhouse gas emissions were caused by air travel.

Aim: to reduce emissions due to air travel by 30%.

The faculties, departments and university institutes developed their own measures that take into account the University of Basel’s reduction course.
Sustainability at the University of Basel

Impuls supports lecturers of all disciplines of the University of Basel, who wish to
– integrate sustainability topics into their courses and
– educate their students to become change agents for sustainable development.

Support:
– Financial support
– Further training in higher education didactics (25 October: Service Learning)
– Project management workshop for students
– Expertise on sustainable development

Fall semester 2019 – spring semester 2021
16 courses
> 200 students
> 40 projects

Grants Office

Central contact point for advice and support with the acquisition of research funding.

Our mission statement:

“The Grants Office ensures that the University of Basel can exploit its full potential in obtaining competitive research funding.”

We can assist with:
- Choice of program
- Eligibility criteria and focus of funding agency
- Advice for proposal preparation
- Advice for project management
• Competitive third-party funding is an important source of income for University of Basel (2020: CHF 194 million)

• Researchers at the University of Basel acquire the most third party funding per professor in Switzerland

• SNSF is largest contributor

• Foundations and international funding agencies also an important funding source

### Pie Chart

- Federal and cantonal programmes: 50%
- National research projects: 24%
- International projects: 14%
- Funds from private persons/sector and foundations: 12%
