8-12. November 2018.

We are pleased to inform you that application for 8th International University Sports and Knowledge Competition **EUROIJADA 2018**, has begun.

As the year before, EUROIJADA is organized by students of 13 countries with the purpose of encouraging sports spirit, promote gender equality in sport and promotion of friendship values in the international environment. 1303 students from 17 countries participated in the last edition in Prague, the Czech Republic in 2016.

More than 6000 participants were part of Euroijada until now from 25 countries from Europe, Africa, and Asia.

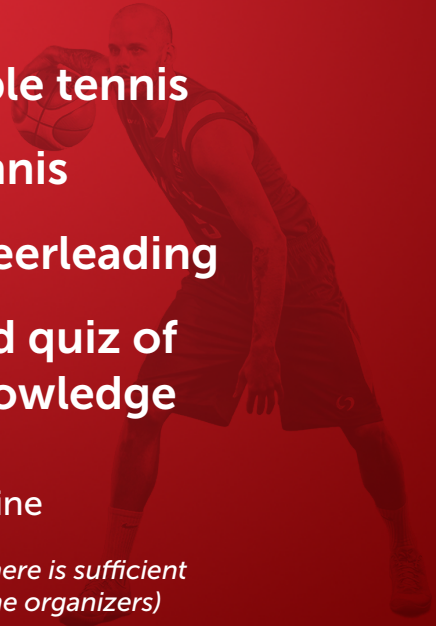

Even though our event is very popular among most of the European countries and beyond, our ambition to connect different nations and ethnicities, as well to promote values of multiculturalism, fuels our desire to increase the number of Euroijada participants. Therefore, we would be honored if you decide to take part in this year's Euroijada, and contribute an enriched experience for all participants.
