

# Job Title: Graduate - Wealth Management - German Speaking Switzerland Market - Basel

Requisition ID **119608** - Posted - **Switzerland - Basel** - (Administration) - **Students & Graduates**

## Your team

This 24-month programme, which comes with a permanent contract, includes on- and off-the-job components, placing the emphasis on teamwork but also exploring each individual's specific skillset, as well as furthering their development and setting specific objectives.

As a member of our Graduate Programme, you will develop your business know-how by working alongside accomplished professionals. Your initial training will be complemented by a professional certification relevant to your area of business (CFA or CIIA). Our programme will also enable you to develop the interpersonal and self-leadership skills required in your future career. The programme will provide you with the opportunity as well to establish an extensive network of peers and experts within Pictet and to meet members of the senior management.

## Your role

You will work alongside and learn from experts in investment, private wealth management and risk & compliance. Training coordinators, your assigned mentor and HR will offer regular feedback to enable you to make solid progress and come through the programme with flying colours. You will also take part in in-house workshops that provide an understanding of the complex, competitive and constantly changing environment of the private banking world.

At the end of the programme you will have the requisite skills to become a Junior Private Banker in our Basel office along with an in-house network of specialists at your disposal.

## Your profile

- Master's or Bachelor's degree in Finance or Management from a top business school or an equivalent qualification.
- At least six months' / maximum two years' experience working in finance or marketing/sales for an international company or in a multicultural environment.
- Thorough in your work, able to work on your own without difficulty and with a persevering nature.
- A strong team player with a definite flair for communication and strong interpersonal skills.
- Skilled user of common IT applications (MS Office).
- Fluent in German and English, French would be a plus.
- International exposure, either in a work-related, academic or personal context.
- Strong involvement in extracurricular activities contributing to specific projects (academic, humanitarian, etc.) is highly appreciated.

Start date: 1 September 2024

Location: Basel
