### **TOUR**

Over the course of 60 minutes, we will introduce you to festivities, events and locations important for our university and the city. Learn which celebrations and dates are relevant for the University of Basel community throughout the year while strolling through the historic old city. Get an overview of developments and important international influence over the centuries while enjoying the mediaval architecture, hidden yards and overlooked alleys. At the end of the walk you will feel familiar with the history of the oldest university in Switzerland and hopefully have a more embedded perspective on your stay in Basel. The guided tour will end at the lovely, covered outdoor terrace of the 'Alte Universität' above the Rhine where a rich APÉRO AROUND THE WORLD catering, incl. cold and hot drinks will be waiting for you. The tour and dinner will take place in all weather conditions. Please bring an umbrella and/or dress accordingly. We are very much looking forward to welcoming and introducing you to the University of Basel and to Basel at this occasion!

---

**MEETING POINT** Peterskirchplatz 7 (at the main entry of the 'Peterskirche' church). The tour ends at the 'Alte Universität' at Rheinsprung 9. (Taking your bike with you is not recommended; however, you can park it at the meeting or end point or in between around Schifflande, just a few steps away from Alte Universität.)

---

**REGISTER** by Monday, October 25, 10am (deadline) via email > [welcome@unibas.ch](mailto:welcome@unibas.ch)

The number of participants is limited (25 persons); spots will be allocated on a first-come, first-served basis. Due to this and for organizational reasons (catering!) your registration is understood as commitment to participate. The tour takes place in all weather conditions :-)

---

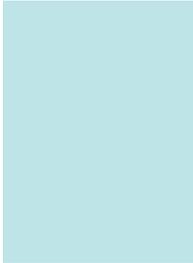

**IMPORTANT INFORMATION** Due to the Covid-19 pandemic we recommend wearing a mask in closer quarters. The catering will be served in a pleasant and covered outdoor terrace for security reasons. Please do not participate if you feel unwell or have cold symptoms.
