

Leaflet emergency childcare for sick children

The University of Basel, in cooperation with the Swiss Red Cross (SRC), offers support when a child of preschool or primary school age becomes ill and it is not possible for the parents or caretaker to stay at home - for instance, because of exams, the performance of an experiment are pending or the participation of an important meeting.

Offer

- Within 4 hours, someone will be at your home to care for and look after your sick child (0 to 12 years)
- The service at the families usually take place on weekdays from 07:00 to 19:00
- A maximum of 16 hours of emergency childcare per child can be claimed per year
- **This service is free of charge** for students and employees of the University of Basel residing in the cantons BS, BL, AG and SO

Request by phone

Students and employees directly contact the responsible cantonal office of the SRC and point out their connection to the University of Basel, so that the assignment can be invoiced correctly. The offer is currently only valid for persons residing in one of the following cantons:
