

# Diploma Supplement

The purpose of the Diploma Supplement is to provide sufficient data to ensure fair academic and professional recognition of qualifications. It describes the degree course that was pursued and successfully completed by the individual named on the original degree certificate to which this supplement is appended. It is free from any value judgements, equivalence statements or suggestions about recognition. The template for this Diploma Supplement was developed by the European Commission, Council of Europe and UNESCO.

## 1. Information identifying the holder of the qualification

- |                                          |                                               |
|------------------------------------------|-----------------------------------------------|
| 1.1 Last name(s)<br><b>Gödde</b>         | 1.2 First name(s)<br><b>Zenon</b>             |
| 1.3 Date of birth<br><b>31 July 1987</b> | 1.4 Matriculation number<br><b>07-465-818</b> |
