# PhD Timeline in Basel

## 6 months
- entry interview (if still pending)
- matriculation
- signed job description
- filled in cover page of doctoral agreement

## 10 months
- prolongation of contract?

## 1 year
- filled in doctoral agreement
- first status review meeting (annual meeting schedule)

## 4-5 years
- PhD defense (12-18 ECTS credits)
(Post)Doctoral Agreement

Your «contract» with your supervisor/mentor

- title page with basic information
- funding employment plan?
- publication plan?
- annual status review meetings
- additional requirements (PhD)

chat with supervisor/mentor

fill in and sign agreement

submit copy
Further important documents

- **Doctoral Studies Regulations («Promotionsordnungen») at each faculty** → Central regulatory document for the doctorate at each faculty

- **Process Employment and Supervision of Doctoral Candidates & Process Employment and Supervision of Postdocs** → «Right and duties» of Doctoral Candidates / Postdocs and their supervisors / mentors
(Post)Doctoral Agreements and Checklist

Links & Downloads

- Template Doctoral Agreement (Doktoratsvereinbarung) (PDF, 270 KB)
- Checklist Doctorate (PDF 89 KB)

- Postdoctoral Agreement Faculty of Science

Documents to Download
Transferable Skills for PhDs/Postdocs

Courses (HS23)
- 64 courses with 6-25 places
- 836 course places in total
- some courses faculty specific
- evaluated each semester

Start registrations
- each January/August
- allocation of places by lot
  → no need to rush
- registration mandatory, late cancellation & no-show fee, max. 3 courses PP
- also open for associated institutes and EUCOR/EPICUR students
- ECTS credits automatically transferred by end of semester
Welcome Center
Facilitating your start & stay in Basel

www.unibas.ch/welcome I Dr. Tanja Popović I welcome@unibas.ch
Typical questions

• How can I find a flat in CH/F/D?
• Do I have to register with a health insurance?
• What is needed for opening a bank account?
• Can you help me with cross-border public transportation issues?
• I am lost – who can help me at this University with a question related to XY?
• Where can I register for a German language course?
• Can you help me with understanding a document?
• How should I register my car in CH?
Services of the Welcome Center (non-academic issues)

- **Signposting function**  > where to find what at the University of Basel
- **Information**  > formalities, e.g. move to Basel, registration etc.
- **Housing assistance**  > search strategy, serves as a reference, answers questions
- **Orientation**  > childcare, school system, family offers
- **Overview**  > culture, social life, integration
- **Practical**  > help in terms of documents, application sheet, complicated phone calls
- **Strategic function**  > acts as a focal point in terms of the embracing culture at the university

**Specialties**

- **Cross-border information**
- **Dual Career support**  > only for Professors & their spouses ☺, but free exclusive membership with the [www.idcn.info](http://www.idcn.info) for Postdoc-partner
How to reach the Welcome Center?

• via website > www.unibas.ch/Welcome
  > MoveOn tool: fill in your personal details

• via email > welcome@unibas.ch

• by phone > tel. 061 207 29 11

• in person (physical or virtual) > upon appointment

Principles:

❖ complimentary to services of Departments/Institutes
❖ „helping people to help themselves“
Diversity & Inclusion and Personal Integrity
Diversity at the University of Basel

The University of Basel is an organization that values the different experiences and perspectives of its members and promotes their diverse strengths, regardless of age, religion, gender, gender identity, cultural background, language, social or professional status, lifestyle, political conviction, sexual orientation or disability.

We are pleased to have you as part of our community. Please do not hesitate to contact us with any questions or concerns.

Leadership & Development
The center of our services are the development of the individual and the organization. Our services follow an understanding of the university as a learning organization. We help to develop the values of appreciation, respect and trust.

When to turn to Leadership & Development?
Our services include training/courses, coaching/counseling as well as support in team development.
Especially relevant for you might be:
• Training, in particular courses within the „transferable skills“ program, for example:
  if you want to plan your PhD,
  if you want to know more about communication within the work surrounding,
  if you want to learn about the basics of leadership.
  For more information see: https://fortbildung.unibas.ch/welcome

• Coaching, counseling, for example:
  if you work within a difficult situation,
  if you are not sure about the next steps in your career,
  if you are responsible for the goals of other people and need leadership advice.
  For more information see: https://www.unibas.ch/en/Emergency-Support/Support-Services-Guide.html

Who to contact?
For questions relating to trainings/courses: Katrin Küchler
For questions relating to coaching/counseling: Ariane Schnepf & Judith Tonner
Career Advancement

Overview and Services
Academic Career – Plan A, Plan B, ... ?

- academic career: phd, postdoc, assistant professorship, etc.
- position in industry, private sector, etc.
- other positions, public sector

What career path do you want to be on?
Career Funding Instruments

- Mobility grant in projects (Doc.CH (HSS))
- Research Fund
- Doc.Mobility@unibas
- Travel Fund
- Scientific Retreats
- Academic Editing
- Dissertation Fund
- Research Fund Junior Researchers
- Conference contribution (PhD and Postdocs)
- SNSF Ambizione
- SNSF Swiss Postdoctoral Fellowships
- SNSF Postdoc Mobility
- SNSF Starting Grants
- ERC Starting Grant
- ERC Consolidator Grant
- SNSF Postdoc Mobility
Funding and Services for PhD students and Postdocs

**Research Funding**
- **Research Fund incl. different foundations**: Initial or final funding in transition to next career step
- **Doc.Mobility@unibas**: mobility fellowships for PhD students

**Conference Funding**
- Contribution towards congress participation

**Publication of Dissertation**
- Contribution towards the costs for the publication of your dissertation

**Junior Researchers’ Retreat**
- Funding for the organization of a junior researchers’ retreat

**Editing Costs for Papers**
- Contribution towards editing costs for PhD students (papers, book chapters, conference papers in English)

**Support for Parents**
- **Get on Track**: Aimed at PhD students who are parents
- **Stay on Track**: Aimed at female Postdocs in early stage of motherhood

**Academic Career Support**
- **Support and Advisory Service**: Support during application process
- **SNSF Doc.CH**: PhD candidates in Humanities/Social Sciences
- **SNSF Postdoc.Mobility**: For SNSF Doc.CH or SNSF Starting Grants candidates during evaluation phase
- **Organisation of Mock Interviews**
Do you have questions concerning your application for funds?

Do you have specific questions academic career planning and financing?

Contact us directly or make an appointment: nachwuchsfoerderung@unibas.ch
Grants Office

What does the Grants Office do?
Who are we and how to get in touch?
The Grants Office is the central contact point for national and international funding programmes, providing advice and support to researchers from the University of Basel and University Hospitals.
Our motivation: Motivate you to apply!

Whatever turn your career will take in the future… It’s never too early to apply for grants!

Competitive grants are valuable research funding sources and markers of research excellence

Grant writing skills are best learnt by doing!

- Our support during the application process aims to increase the chance of success.
- Our support during the project management phase of complex grants helps relieve the researchers of some administrative load.
A selection of Project Grants for early stage researchers

<thead>
<tr>
<th>Programme</th>
<th>Main Features</th>
<th>Terms</th>
<th>Eligibility</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Postdoc.Mobility</strong></td>
<td>Mobility (move out of CH) &amp; salary</td>
<td>Your own salary for up to 2 years, max. 5k CHF research funds; up to 12 months return phase possible</td>
<td>Up to 3 years after PhD; be Swiss or have a Swiss residence permit; at least 2 years research experience in CH (foreign applicants)</td>
</tr>
<tr>
<td><strong>Ambizione</strong></td>
<td>Own research project; PhD supervision possible, retrospective or prospective mobility dimension required</td>
<td>Your own salary plus CHF 400k project funds for 4 years</td>
<td>Up to 4 years after PhD, at least 1 year postdoc experience</td>
</tr>
<tr>
<td><strong>SPARK</strong></td>
<td>Unconventional projects Double-blind Evaluation (evaluators do not know the identity of the applicants)</td>
<td>Max 100CHF for one year (can pay for the applicant’s salary)</td>
<td>Doctoral degree (or at least 3 years of research work after higher education degree)</td>
</tr>
<tr>
<td><strong>Bridge Proof of Concept</strong></td>
<td>Developing research results into a marketable product</td>
<td>Own salary and research costs, max. 130k CHF for one year</td>
<td>Up to 4 years after BSc, MSc or PhD degree;</td>
</tr>
<tr>
<td><strong>Marie Skłodowska-Curie Postdoctoral Fellowships (SNSF Postdoctoral Fellowships)</strong></td>
<td>Training aspect: acquire additional skills; secondments possible Mobility (changing country); Host lab in all sectors possible</td>
<td>12-24 months (European Fellowship) or 24-36 month (Global Fellowship); salary plus fixed project funds</td>
<td>PhD at time of deadline; up to 8 years after PhD Mobility rule: Not have worked nor resided in the country of the host institution for more than 12 months during the three years before the call deadline</td>
</tr>
<tr>
<td><strong>ERC Starting Grant (SNSF Starting Grants)</strong></td>
<td>Build own research group, ideal career booster when applying for professorship</td>
<td>EUR 1.5 million for 5 years; additional 1 million EUR possible</td>
<td>2 to 7 years after PhD</td>
</tr>
<tr>
<td><strong>International</strong></td>
<td>Mobility (changing country) EMBO: Host lab in academia or industry possible</td>
<td>2-3 years scholarships, small institutional allowance</td>
<td>Mobility (changing country) EMBO: up to 2 years after PhD; HFSP: only for nationals of HFSP member countries</td>
</tr>
<tr>
<td><strong>Fulbright Fellowships to USA</strong></td>
<td>Experience different research culture</td>
<td>Covers only living costs</td>
<td>Check fellowship conditions (depending on country of origin)</td>
</tr>

Language Center
Why not learn, improve, discover, and write …

... at the Language Center of the University of Basel?
University of Basel Language Center

Courses

Develop your overall communicative competence in about 20 languages in general and subject-specific courses and workshops in Arabic, Chinese, French, German, Japanese, Russian, etc.

Enhance your ability to communicate your research effectively in English in subject-specific courses and workshops on, for example:

- Writing seminar papers and theses
- Conference presentations
- Writing for publication
- Video abstracts

Services

Benefit from our services, such as:

- Writing consultation / Schreibberatung (online sessions in English and in German)
- Proofreading (e.g., for written assignments)
- Editing (texts intended for publication)

For courses, deadlines or a personal consultation:

www.sprachenzentrum.unibas.ch
info-sprachenzentrum@unibas.ch
Academic editing

Academic editing at the Language Center

- Provided by experienced specialists for all faculties and disciplines.
- For anyone publishing in English regardless of level.
- A variety of texts including abstracts, articles, book chapters, funding proposals, etc.
- Can include an in-person consultation to improve your academic writing.

University financing for academic editing

- All doctoral students and postdocs can receive up to CHF 500.00 to have one research publication in English edited.
- Can be used with any service, such as the Language Center or an editor already associated with a research group.

IMPULS & Further Training

Support for lecturers of all disciplines of the University of Basel, who wish to:
• integrate sustainability topics into their courses and
• educate their students to become change agents for sustainable development.

How:
• Financial support (1’000 CHF)
• Further training in higher education didactics
  ➢ 15 & 29 Sep: “Bildung für Nachhaltige Entwicklung”
  ➢ 9 Nov: “gutes Lernen und Gutes tun”
• Project management workshop for students
• Expertise on sustainable development

www.unibas.ch/impuls
Teaching. Tales: Sustainability Tomorrow
Identifying challenges, analysing approaches and assessing future strategies

PHASE III Urgent Action Required
A large proportion of the University of Basel's total greenhouse gas emissions are caused by air travel.

Aim: to reduce emissions due to air travel by 30%.

The faculties, departments and university institutes developed and implement measures that take into account the University of Basel's reduction course.

Monitoring of reduction on yearly basis
