

Behavior in the case of telephonic bomb threat

If someone is suddenly faced with the situation that a phone call comes in with the announcement of a bomb attack on the building, the person should remain as calm as possible and try to receive as much information as possible from the caller.

- To listen to the caller carefully.
- Do not interrupt the person.
- Make notes immediately.
- Get as much information as possible.
- Ask the caller for further information.
- After finishing the call, immediately alert the police, dial telephone number 117
- In the case of a concrete acute hazard, initiate the evacuation of the building immediately after consultation with the police.
- Wait for the arrival of the police.
- Inform supervisors.
