

# CORPORATE FINANCE TRAINEE PROGRAM (M/F/D)

For our Global Headquarters in Basel,  
Switzerland

# CLARIANT

The Finance Trainee Program is a 2 year program which seeks to recruit outstanding university graduates in business studies. During the program, you will be trained to become a potential leader while obtaining excellent insights in the network of a specialty chemical multinational. You will have the possibility to obtain a broad knowledge on our company and markets by a committed rotation through units, regions and tasks. The program is flexible towards the organization's needs and candidate's interests.

## Position duties:

- Taking immediate ownership of tasks within Corporate Controlling with a focus on performance analysis and management reporting
- Assisting in financial planning, objective setting, investment evaluation, etc.
- Actively taking part in international controlling projects
- Assignments in other finance disciplines, e.g. Treasury, Audit, Accounting, Tax, but also in interface areas such as a global Business Unit or a foreign affiliate
- Building a cross-functional and -regional network inside Clariant to further help you in attaining your career goals

## Requirements:

- Excellent Master's degree from a renowned University, preferably in business administration with focus on finance
- High degree of drive, ambition and flexibility is crucial. Openness to international assignments during or after the program
- Outstanding analytical and conceptual competence
- Open-minded teamplayer with good communication skills
- Fluent in English (written and spoken)
- Working experience in dynamic environment (such as corporate finance, consulting or investment banking) is an asset

## Our offer:

- We ensure a highly interesting, versatile and challenging work environment
- You will have outstanding influence on daily activities and tasks, with full responsibility for projects assigned
- We offer an attractive and performance-based remuneration
- We provide the benefits of a modern company
- We will support your development needs with tailored, individual trainings

If you are ready to take the challenge at Clariant and the job description inspires you and corresponds to your qualification, please apply online (#30964) via [www.clariant.com / careers](http://www.clariant.com/careers).
