---	--	-----------

The program for the spring semester will be online in December 2024, registration starts on January 15, 2025.

Go to the online Transferable Skills program!

Ziele

Das Kursangebot der überfachlichen Kompetenzen unterstützt Forschende während der Promotionsphase und bereitet auf neue und weiterführende Forschungs- und Berufstätigkeiten inner- und ausserhalb der Universität vor.

Inhalte

Das Kursangebot ist nach den ECTS-Grundsätzen und internationalen Standards konzipiert. Bei der Konzeption fliessen die Evaluationsergebnisse aus den jeweiligen Kursen mit ein. Das gesamte Angebot wird von anerkannten Fachpersonen durchgeführt und auf Deutsch und Englisch angeboten.

Teilnahmebestätigung

Eine Teilnahmebestätigung wird nur bei bestandenem Leistungsnachweis und lückenloser Teilnahme ausgestellt.

Kreditpunkte

ECTS-Punkte werden nach bestandenem Training gegen Ende des Semesters (Ende Januar/Juli) automatisch auf das Leistungskonto des/der Teilnehmenden übertragen und erscheinen in der Leistungsübersicht.

Anmeldung

Alle Kurse werden zu Beginn des neuen Semesters gleichzeitig zur Online-Anmeldung geöffnet und die Plätze nach 24 stündiger Anmeldeperiode per Los vergeben. Pro Person können nicht mehr als drei Kurse pro Semester besucht werden. Die Kurse sind Doktorierenden und Postdocs der Universität Basel sowie Doktorierenden des European Campus oder einer der EPICUR-Allianzen vorbehalten und kostenfrei.

Rücktritt, Fernbleiben oder unvollständiger Kursbesuch

Abmeldungen sind bis zum Ende der Anmeldefrist möglich. Während den Kursen gilt eine vollständige Anwesenheitspflicht. Bei unentschuldigtem Fernbleiben vom Kurs oder Abmeldung nach Ablauf der Anmeldefrist wird eine Gebühr von 30 CHF erhoben sowie der/die Teilnehmende für die Kursanmeldung im nächsten Semester nicht berücksichtigt und aus anderen Kursen im selben Semester wieder ausgetragen. Die Details können unibas.ch/transferableskills entnommen werden.

Goals

The transferable skills training supports researchers during their dissertation period and prepares them for a professional career inside or outside of academia.

Content

The courses in transferable skills were specifically implemented on behalf of the individual needs of the faculties and PhD programs, based on international guidelines and ECTS standards. All courses are led by experts in the field and offered in German and English.

Certificate of Attendance

Successful completion of all tasks and perfect attendance are required for a certificate.

Credit Points

After successful completion of the training, ECTS credits will automatically be transferred to the participant's credit points account towards the end of the semester (end of January/July) and will appear in the academic progress summary.

Registration

All courses are opened for online registration at the same time at the beginning of the new semester and the places will be allocated by lot after a registration period of 24 hours. Participation is limited to three courses per semester and per person. The courses are free of charge and reserved for doctoral candidates and postdocs of the University of Basel as well as doctoral candidates from the European Campus or one of the partners of the EPICUR alliance.

Withdrawal, Absence or Partial Course Attendance

Course registrations can only be canceled before the registration period ends. Full course attendance is mandatory. Participants who fail to attend a course without prior notification or withdraw after the registration deadline are subject to a fee of CHF 30 and will not be considered for course registration in the following semester and will be removed from other courses offered in the same semester. For further details, please visit unibas.ch/transferableskills.
