

Panel discussion

# Your Masters, your PhD. What next?

## Career Perspectives in Life Sciences Industry and Academia

At the end of your academic studies, there is an important decision to be made. Do you consider a career in Academia? Or do you prefer working in the private sector?

Representatives of the University of Basel and economic leaders will discuss the challenges and opportunities of different career paths.

The discussion is held in English.

**Wednesday, Nov. 21, 2012, 18.15 – 19.45 h**  
**Hörsaal 001 | Kollegiengebäude | Petersplatz 1 | Basel**
