

Program for the Inauguration Event, 22 September 2023

Inauguration of the EPS Historic Site „Stachelschützenhaus“ (originally the house of the crossbow men) in Basel as site of Daniel Bernoulli's Physics Cabinet, where this famous Swiss physicist undertook his research and teaching

Taking place at the following locations on 22 September 2023:

1. As part of the regular Physics Colloquium of the University of Basel in Lecture Hall 1 (Entrance St. Johannis Ring 27):

14:30 Tea, Coffee, Cookies in the Foyer

15:00 Welcome Address

15:15 Anne Pawsey (EPS Secretary General): **The EPS Historic Sites project**

15:30 Martin Mattmüller (Bernoulli-Euler Gesellschaft): **Daniel Bernoulli and his Physical Cabinet**

16:15 Stephan Rosswog (University of Hamburg and Stockholm University): **Astrophysical Gasdynamics and Bernoulli's Theorem in Fluid Dynamics**

17:15 Walk to the Stachelschützenhaus

2. At the Stachelschützenhaus, and in the Kollegienhaus, Petersplatz 10 and 1

17:30 Rainer Gosert and Klaudia Nägele (Laboratory Medicine, University Hospital Basel): **Present activities in clinical virology in the Stachelschützenhaus**

17:45 **Unveiling of the EPS Historic Site plaque**

18:00 **Apero in the Kollegienhaus** (during the apero – from 18:00 to 18:30 - it is possible to visit the Stachelschützenhaus in small groups of 6-8 persons)

19:00 End of the Event

Daniel Bernoulli (from ETH Library) and the Stachelschützenhaus (Univ Basel since 1460 unigeschichte.unibas.ch/)
