# Call for **conference organizers 2020** PH Alliance Basel-Zurich

## Scope:

- Conference topic must strongly relate to Personalized Health
- Conference should help promoting the international standing of the Basel-Zurich area as a hub for scientific excellence in Personalized Health
- Date of conference in 2020 (ideally June)

The PH Alliance will support administratively and financially the preparations for a conference in 2020 and is now looking for **one or more chairperson(s)** leading the efforts.

**Infos will follow – proposals are due by 31.03.2019**
