the development of our services.

How you can make an impact

- The chance to work in a team of experts in the area of audit and business processes and the opportunity to take over client facing projects in key industries
- Immersion in annual financial statements and special audits of our national and international clients within the Asset Management industry
- A clear, long-term career path with a first-class training offer for professional development, including the support to qualify as Swiss certified public accountant. (<https://www.expertsuisse.ch/fr-ch/expert-comptable-diplome>)
- A young, international and diverse team with colleagues from over 50 countries
- A forward-looking workplace that gives you some flexibility in adapting your workflows to your needs (e.g. attractive benefit package or flexible working patterns; more on this can be found on our Website)

Who we are looking for

- A bachelor's or master's degree in economics (specialising in accounting, finance or controlling would be advantageous)
- Strong interest in innovation and transformation (including but not limited to data analytics)
- Willingness to complete the education needed to become a Swiss CPA at Expertsuisse
- Candidate must have analytical competencies, demonstrate logic and have inclination towards accounting and finance
- Fluency in English and German. French would be a plus

Your team

Become part of a diverse, multinational and highly motivated team at our Zurich office.

We will help you grow both personally and professionally through our trainings.
