

# FOSTERING COOPERATION AMONG SUSTAINABILITY ACTORS

TO REACH AND ACTIVELY INVOLVE STUDENTS IN SUSTAINABLE PRACTICES

## Research questions:

- *What are potential cooperation ideas between different sustainability actors in Basel?*
- *Which barriers and enablers do they face during the project?*

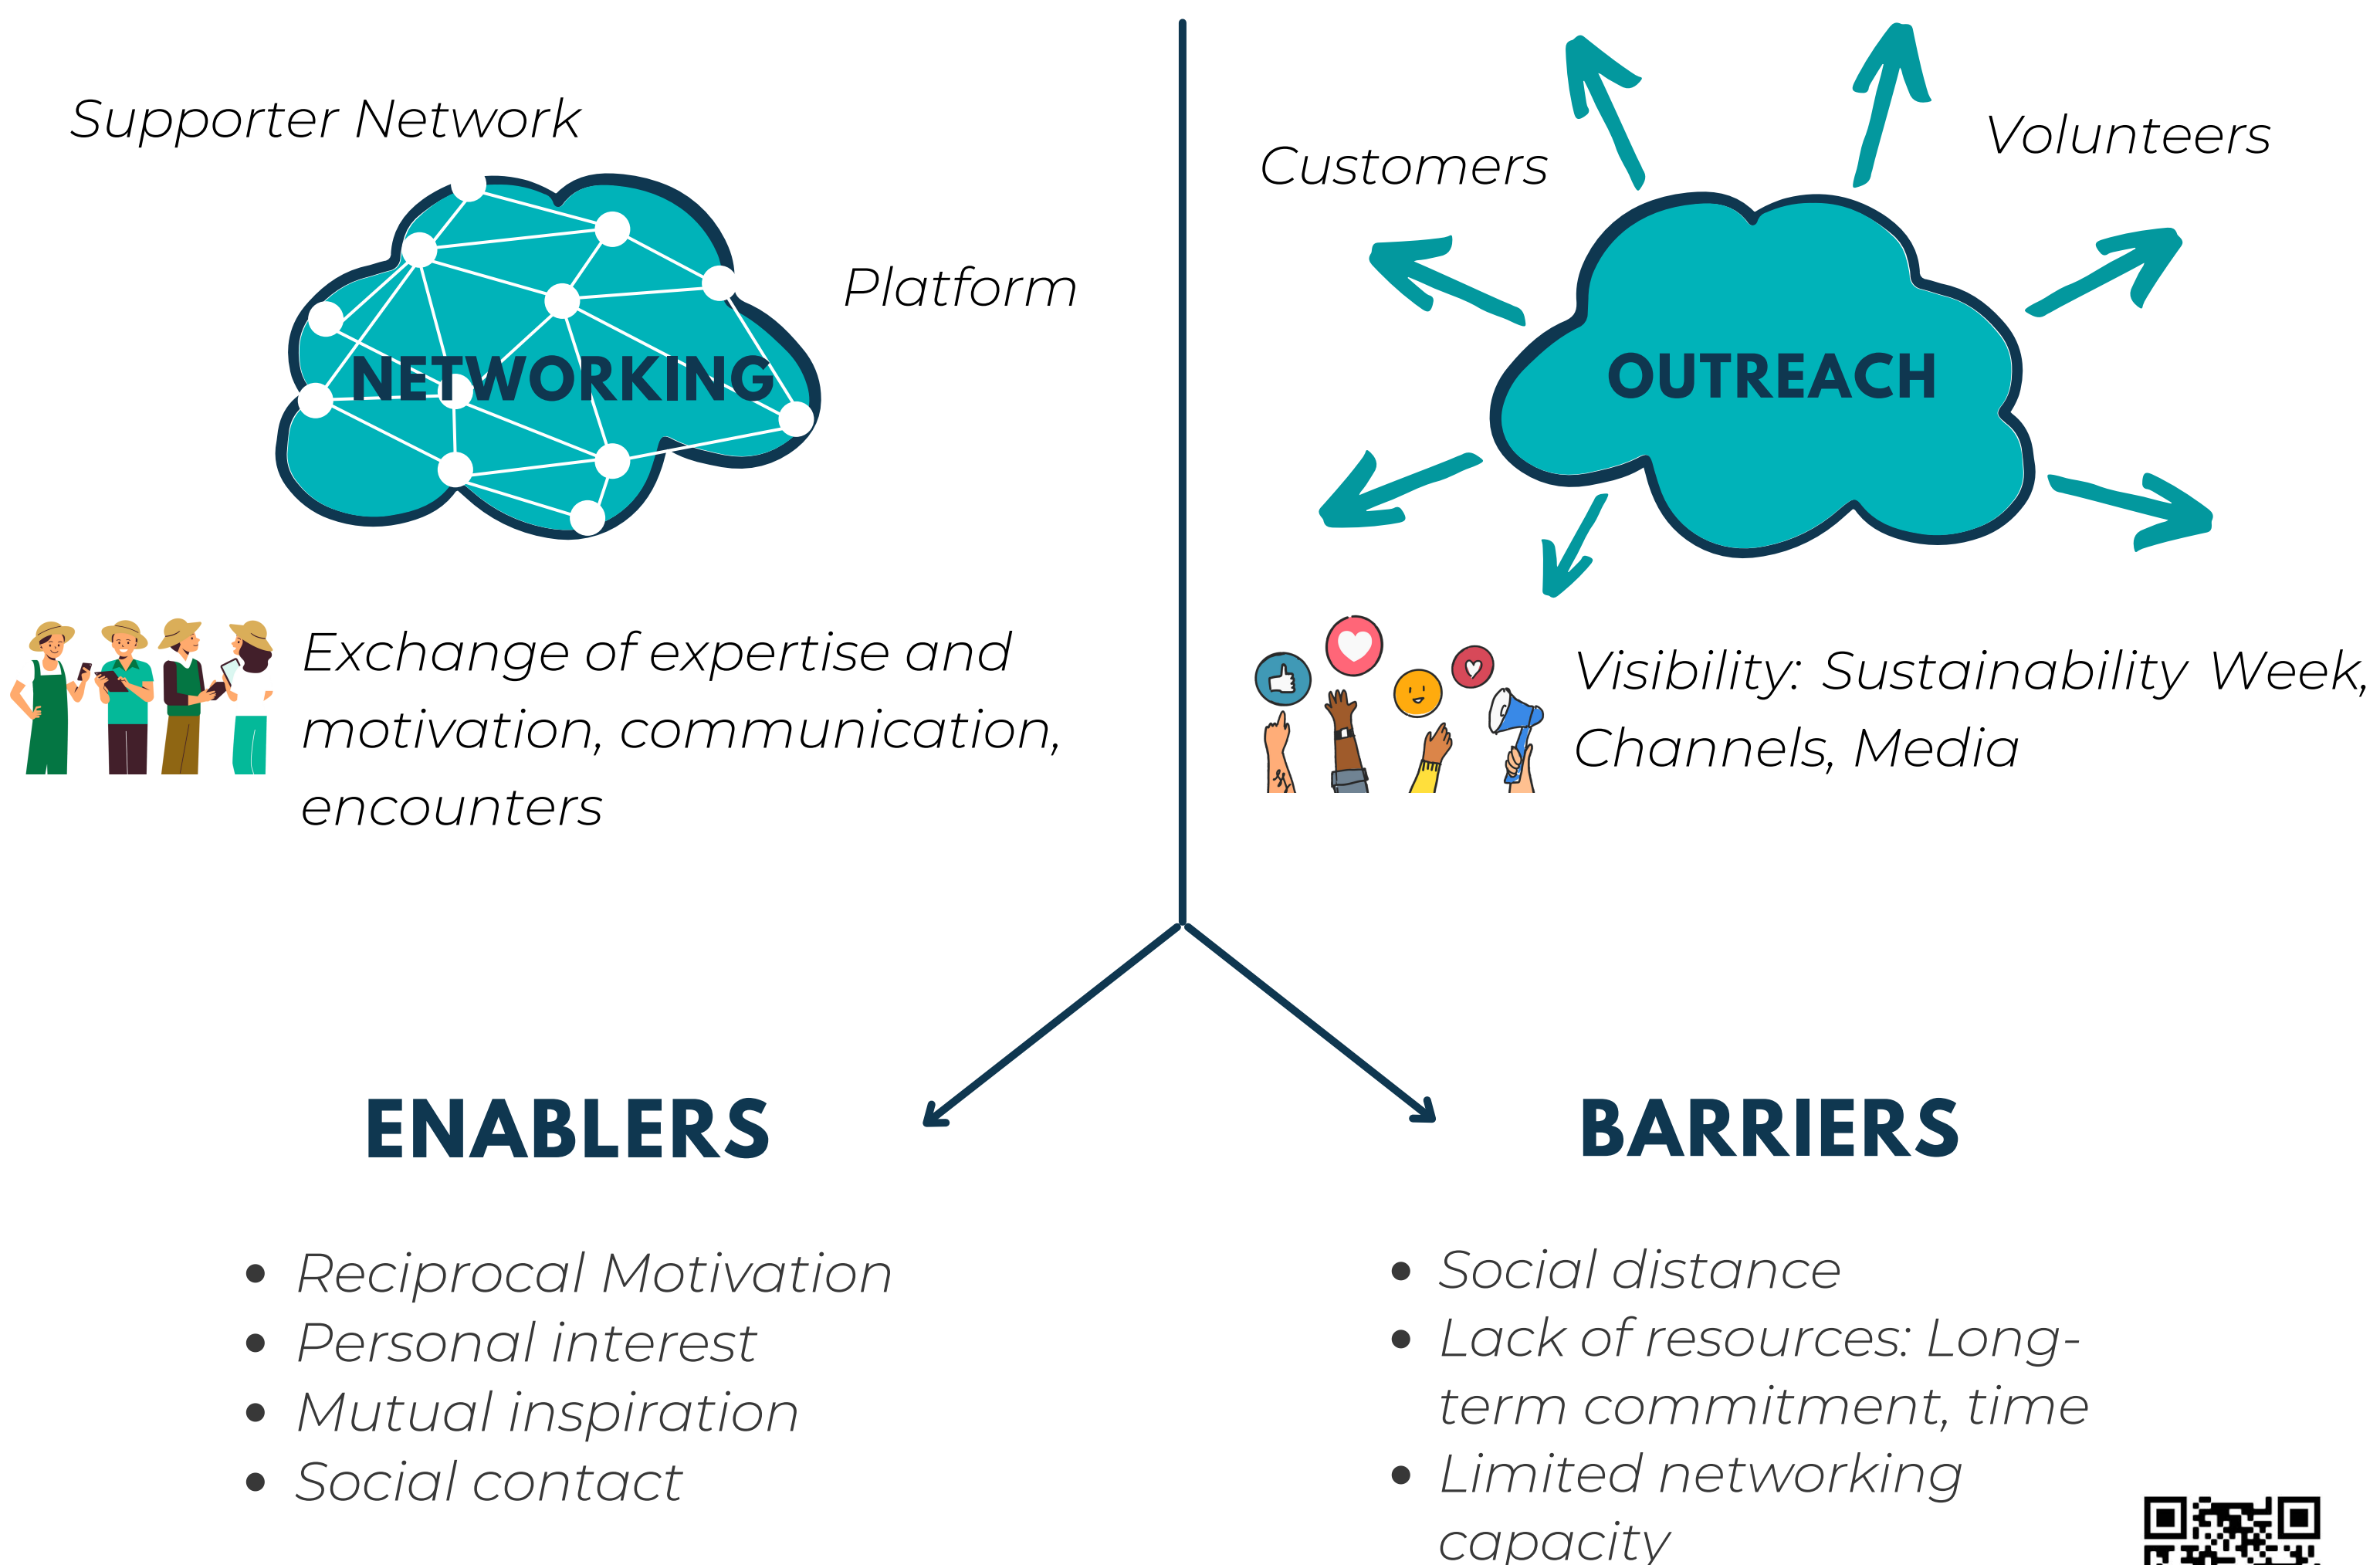

## Goals of Cooperation:

- *Resource-sharing: Distribution of knowledge and work*
- *Embrace the diversity of the actors' landscape*
- *Build alternative structures to encourage and connect actors*

## Method:

- *Focus group with 6 participants from 4 organizations:*
  - *2 educational actors*
  - *2 sustainable stores*
